

*Response to Advisory Action*

Applicants understand from the Advisory Action that the Amendment submitted March 20, 2008 has been entered, and that Amendment and Response overcame the claim rejections under 35 U.S. C. §112. Applicants thank the Examiner for agreeing that the March 20 amendment will be entered. The claim list provided herewith incorporates that amendment.

Thus, the only pending rejection is the provisional double-patenting rejection over copending application No. 10/512,600. As required in the Advisory Action, Applicants submit herewith a Terminal Disclaimer over copending application No. 10/512,600. Applicants believe this submission addresses the only pending rejection, and that claims 3-7, 11, and 13-16 are therefore allowable. Applicants respectfully request notification of such.

**Conclusion**

Based on the foregoing, the claims are in condition for allowance and notification to this effect is requested. If for any reason the Examiner believes that a telephone conference would expedite allowance of the claims, please telephone the undersigned at the number listed below.

Respectfully submitted,
